With an aim to complement the governments initiative of “Make in India” and facilitate the drone fraternity, we provide different contract manufacturing proposals catering to the customer requirements. The four most common types of contract manufacturing offers are:

## MANUFACTURING

- (a) Private label manufacturing
- (b) Individual component manufacturing
- (c) Labour or service subcontracting
- (d) End-to-end manufacturing

Be it simple Carbon fibre parts,  
Complex injection moulds,  
3D printing or offering assembly line services,  
check out the opportunities at "**The drone world**".

# OUR COLLABORATIONS

Direct . Devise . Deliver

THE  
DRONE  
WORLD

**De Drone world** is an entrepreneurial venture with a vision to become a global company by a team of aviation experts from the Indian armed forces and enthusiastic young technocrats with strong passion towards drones.

We aim to usher-in a new era in the development, adoption and bringing-in revolutionary changes in human lives with drone technology. Our ambition is to create an all-encompassing organization – “The Drone World”.
